

Fondation Jean-Marie Delwart

2008 Award in Chemical Communication

The Jean-Marie Delwart Foundation will award in 2008 a prize for an original work or series of works, individual or collective, in the field of *Soil Chemical Ecology*.

The Prize amounts to US\$10,000.00 and will be attributed to works written (or translated) in French or English.

Candidates can either send their own application or be presented by a specialist in the field or an Academic Institution. In all cases, applications should be accompanied by an introductory letter, a detailed C.V. and a complete list of publications, all in 4 copies. Reprints, books and/or anything considered relevant should be added to this set.

Only works sent by **April 15th 2008, at the latest, will be accepted.**

The Jury is comprised of members from both the scientific committee of the Jean-Marie Delwart Foundation and the Académie Royale des Sciences de Belgique.

The Prize will be awarded in **December 2008**, at the occasion of the Public Session of the Académie Royale des Sciences de Belgique.

The Foundation will move soon, please check by e-mail the correct address before sending your application:
